

Management of the aquatic, wellness and sports facility in Tignes has been entrusted, under a Public Service Delegation from the Tignes local authority, to the company **SAGEST Tignes Développement**.

The establishment is called « **LE LAGON** ». It is classified as an ERP (establishment open to the public) type XN, second category.

Overall MSO* (public and staff): 670
Aquatic Area MSO*: 500 (including Wellness Area: 80)
Reception hall MSO*: 110
Fitness Area MSO*: 60

*MSO: Maximum Simultaneous Occupancy

The Supervision and Rescue Organisation Plan, drawn up in accordance with the decree of 15 April 1991 relating to the supervision and organisation of swimming activities and its implementing order of 16 June 1998, forms an integral part of these rules.

By entering this establishment, every person agrees to comply with the provisions of these house rules. They must follow the instructions given by staff and observe the requirements and prohibitions displayed within the establishment.

The purpose of these rules is to set out the conditions of use of LE LAGON, together with the requirements to be observed for the proper running of the establishment and the maintenance of users' safety.

They do not, however, preclude the application of the general regulations in force, nor the special measures that the administrative authority may take at any time, depending on the circumstances.

GENERAL RULES

Le Lagon comprises 3 areas:

- Swimming pool area;
- Wellness area;
- Fitness area.

Specific house rules for each area are displayed in the respective locations.

Article 1 – Purpose

The general running of the establishment is entrusted to the Manager or to appointed staff. Use of the establishment by the public, associations and groups (school groups and others) is subject to the requirements of these house rules.

The rules, the general terms and conditions of sale and the required notices are displayed in the establishment's entrance hall.

Article 2 – Opening and Closing

2.1 The opening hours and periods for the public, approved by the local authority, are displayed at the entrance to the establishment.

2.2 Tignes Développement, once approved by the local authority, reserves the right to amend the hours defined above according to circumstances.

Such measures may be taken in particular for safety reasons and will be brought to the public's attention by way of notices.

Le Lagon's opening hours may be changed depending on the season, footfall and the public in attendance (for example, school groups).

2.3 Admission of the public and the issuing of entry cards cease 60 minutes before the establishment's closing time.

The public are asked to leave all areas 30 minutes before the establishment's closing time.

2.4 In the event of an incident, a serious accident or a technical problem, the LE LAGON team may temporarily close the ticket desk and evacuate the pools or any other area occupied by the public, without the entry fee being reduced or refunded as a result.

2.5 Access to the Aquatic Area is strictly forbidden in the absence of lifeguards or qualified swimming instructors/lifeguards.

The public must respect the cleanliness of the areas and equipment. Rubbish, paper, debris or any other items must be placed in the bins provided for that purpose.

Article 3 – Conditions of access

Access to the facilities during opening hours is subject to payment of an entry fee in accordance with a rate approved by the local authority and displayed at reception, and in accordance with the terms set out in the general terms and conditions of sale (GTC).

No person may enter the various areas or changing rooms without having paid an access fee. Failure to pay an access fee results in immediate exclusion.

Each user must strictly comply with the access control systems in place and may be required to prove payment of their access fee. Refusal to submit to a check, including an electronic one, may result in exclusion.

For reasons of safety and quality of service, a maximum capacity, which must be strictly observed, is set for each area.

Outside the hours when the establishment is open to the public, access to the site may only be authorised following a decision by the establishment Manager and/or the management of Tignes Développement.

Access to technical and administrative areas is strictly forbidden to any person not connected with the service.

Any exit from the establishment is considered final, whatever the reason.

In the event of loss or theft of a membership card, the user may obtain a new card on payment of a set fee at the rate in force.

Article 4 – Photographs and video recording

Taking photographs and videos is permitted for strictly personal use, with respect for the dignity and privacy of others.

It is forbidden to photograph or film other users without their explicit consent. Any image including third parties must have their prior authorisation.

In order to protect users' privacy, it is forbidden to take photographs or videos of oneself when other people appear in the image, particularly in the aquatic areas where users are in swimwear and in the fitness and weight-training area. Only individual shots showing no other person are permitted.

Publishing (on social media, messaging services, websites, etc.) any photo or video taken inside Le Lagon is strictly forbidden without prior written authorisation from management. This prohibition applies in particular to images showing minors and images showing users in swimwear or in situations that could infringe their privacy.

Any filming for professional, promotional, association or media purposes must be the subject of prior written authorisation from management. Management reserves the right to refuse any such request.

In the event of failure to comply with these rules, staff are entitled to request the immediate deletion of the images concerned, to suspend or refuse access to the establishment, and to report the matter to the competent authorities, particularly in the event of an infringement of privacy or the exploitation of images of minors.

Article 5 – Changing rooms and lockers (aquatic and fitness areas)

Nudity in communal areas (including the saunas and hammam) is strictly forbidden.

Users must keep the changing rooms clean. They must remove their shoes at the entrance to the changing rooms. They must have clean sports shoes suitable for indoor activities in order to access the Fitness Area.

The public must use the changing rooms and lockers provided for them, both on arrival and on departure.

Lockers are provided for users in the aquatic and fitness areas.

Each user is responsible for properly locking their locker.

Any loss of a code or key must be reported immediately to establishment staff. In such cases, the return of belongings must be duly justified.

Lockers are checked every evening by staff. No item or item of clothing may be left inside.

Bags, baskets, holdalls and other luggage are the sole responsibility of their owner.

The establishment's management recommends that the public avoid wearing jewellery, rings, etc. when going swimming.

The Le Lagon team accepts no responsibility in the event of loss, theft or damage to personal belongings.

Article 6 – Safety, hygiene, rules to be observed, recommendations

Users are forbidden, on pain of exclusion under the conditions set out in the article « Enforcement of these house rules », and on a non-exhaustive basis, from:

- Smoking and vaping in the establishment and its surroundings;
- Bringing in animals, except in the reception hall;
- Bringing in or consuming alcohol on the premises, or any substances prohibited by law (e.g. drugs);
- Bringing in objects deemed dangerous or unsuitable for use in a sports establishment;
- Bringing in or carrying glass, sharp or blunt objects;
- Having picnics on the premises (except on the terrace in summer);
- Spitting and/or urinating and/or defecating outside the toilets;
- Polluting/dropping any litter outside the bins;
- Deliberately damaging the building and its equipment;
- Forming groups or gatherings likely to obstruct movement around the premises;
- Making noise that is a nuisance because of its intensity, duration or aggressive nature, such as that produced by shouting or singing of any kind, including for promotional purposes, or by vocal or musical broadcasts;
- Using musical instruments, whistles, sirens or similar devices, as well as noisy toys or equipment;
- Using any device capable of broadcasting sound, unless such devices are fitted with earphones that are in use;
- Engaging in games or acts likely to disturb the peace and quiet of the public or public decency;
- Taking photographs or filming for personal or professional purposes without the authorisation of management;
- Using pushchairs and other means of transporting young children in areas other than reception;

Pushchairs, scooters, balance bikes and sledges are kept in storage at reception in exchange for a numbered ticket.

Skis and ski boots, snowboards, snowboard boots, bicycles and any electric wheeled devices are not permitted within the establishment.

Article 7 – Accidents/Evacuations

7.1 LE LAGON staff are authorised to take any decisions necessary to ensure safety and good order within the Centre. To this end, they remain the sole judge of what measures are appropriate in an emergency (evacuation, calling the emergency services, removal of offenders, formal notice, warning, etc.). Users must comply with decisions taken by the establishment manager or appointed staff.

7.2 In the event of an incident or accident, immediately notify the LE LAGON lifeguards or any other LE LAGON staff, who alone are authorised to initiate the appropriate response process, and have the circumstances recorded on the accident report.

7.3 In the event of a serious incident or accident, the evacuation of the areas and/or of the Centre may be ordered by the Manager or by appointed staff.

7.4 Where one or more lifeguards or swimming supervisors are required to carry out an intervention that means safety and supervision can no longer be assured and guaranteed across the whole of the Swimming Pool and Wellness areas, the LE LAGON manager or appointed staff reserve the right to close off bathing zones, for an indefinite period and without refund.

7.5 Where management or a lifeguard or swimming supervisor is required to carry out an evacuation for health reasons, the LE LAGON manager or appointed staff reserve the right to close off bathing zones, for an indefinite period. When a zone of the aquatic area is closed, a reduced rate will apply.

Article 8 – Compliance with the rules

8.1 Having completed the entry formalities, and at all times, users must comply with these house rules. In the event of non-compliance, the user(s) concerned may be removed, or even face legal proceedings brought by the Manager or appointed staff.

8.2 The LE LAGON team accepts no responsibility in the event of an accident arising from failure to observe these rules and instructions.

8.3 The LE LAGON team likewise accepts no responsibility in the event of theft or loss of any item or valuables brought onto the premises.

8.4 Any comments or complaints concerning the establishment should be submitted via the website www.tignes.net.

Article 9 – Instruction

Except by special dispensation granted by Management, only LE LAGON staff may teach and supervise sporting activities of a commercial nature, in accordance with the regulations in force and always with the agreement of management.

Article 10 – Use of rescue equipment

Except in cases of force majeure, the use of rescue, first-aid and firefighting equipment is reserved solely for members of the establishment's staff. Once an intervention is complete, rescue equipment will be reset and restocked.

Article 11 – Damage

Any person admitted to the establishment is liable for any damage caused by themselves or by persons for whom they are responsible.

It is a reminder that parents are civilly liable for the actions of their minor children.

The cost of repairing any damage found will be charged to the person responsible.

Article 12 – Insurance

All users, instructors and groups must comply with the legal and regulatory provisions in force requiring them to take out sports-related insurance.

Generally speaking, individuals using the LE LAGON's sporting

and aquatic facilities must ensure they are insured accordingly.

Article 13 – Groups (school groups and others)

13.1 School groups benefit from time slots specially arranged for them. Their groups may only be admitted to the establishment in accordance with the general occupancy schedule set by LE LAGON's management.

13.2 Requests for time slots should be addressed to LE LAGON's management.

13.3 School groups must be accompanied by at least one teaching staff member responsible for the safety, hygiene and behaviour of their pupils for the entire duration of their presence in the establishment. They must comply with the establishment's operating conditions as well as with national education rules.

13.4 Groups are welcomed by a member of the establishment's staff. The designated group leader must complete the information form given to them.

13.5 Groups must be accompanied by an adult supervisor and must report to the lifeguards responsible for supervision. They must also comply with the accompaniment rules set by the competent authorities. The group remains under the responsibility of the group leader, who undertakes to ensure that Le Lagon staff instructions and these house rules are observed.

Article 14 – Sports associations and clubs

14.1 Sports associations, clubs and independent organisations using the establishment must comply with, and ensure their members comply with, the establishment's house rules.

14.2 The club and/or association is responsible for the proper use of the equipment made available to them. LE LAGON's management reserves the right to deny them access in the event of non-compliance with these rules.

14.3 Members must strictly observe the time slot allocated to them, which runs from entering the establishment and includes the time needed for undressing and dressing.

14.4 Requests for time slots should be addressed to LE LAGON's management.

14.5 An agreement will be signed each year, covering the period from 1 October to 30 September.

SWIMMING POOL AREA RULES

The Swimming Pool Area comprises:

- A paddling pool;
- A leisure pool;
- A swimming pool;
- A slide called the « Pentagliss ».

Article 1 – Access rights and obligations

Access to the Swimming Pool Area is reserved for persons who have paid an access fee. Any person present in the Swimming Pool Area must carry proof (issued at reception) that they have paid their access fee. Failing this, Management or appointed staff reserve the right to exclude them from the area. On arrival and departure, changing cubicles must be used, and their doors must be locked while in use and left open afterwards.

2.1 For hygiene reasons:

- A soap shower and passage through the footbath are compulsory before entering the pools;
- Make-up must be removed before entering the aquatic area.

2.2 General points:

- In this area, access is permitted to persons wearing the following swimwear:

For women, the only items permitted are: a one-piece swimsuit, a two-piece swimsuit, a bikini or a tankini for the top, a clean short- or long-sleeved swim T-shirt, and, for the bottom, swim shorts, a swim skirt or a tanga.

For men, the only items permitted are: swim shorts, swim boxer shorts above the knee, swim briefs or swim trunks, together with a clean short- or long-sleeved swim T-shirt.

This list is exhaustive: anything not explicitly permitted is forbidden, in particular clothing not suited to swimming. Burkinis and any garment covering the body in a manner unsuited to swimming are therefore strictly forbidden, as are long skirts and shorts worn below the knee, T-shirts and other tops not designed as swimwear, the wearing of underwear beneath swimwear, and any garment made from material unsuited to aquatic use.

For children up to 10 years old, in addition to the outfits recommended above, a clean, full-length neoprene wetsuit is permitted.

Every person must, without exception, be in swimwear and barefoot, or wearing dedicated flip-flops or sandals, as soon as they leave the changing cubicles.

Swimmers must then take a soap shower and pass through the footbath before entering the pools.

- Babies must be clean or fitted with suitable nappies, and swimwear must be worn. Parents are responsible for the correct use of nappies, and no refund will be given in the event the paddling pool has to be evacuated due to faecal matter.

- The area manager or appointed staff may refuse access to anyone found to be unclean or disorderly, or presenting wounds or skin infections likely to spread in a humid environment.

- Wearing a swimming cap is strongly recommended. At the very least, persons with long hair must tie it back before entering the water. Swimming caps remain compulsory during school sessions.

2.3 Instructions:

- Do not run on the poolside;
- Do not push, bounce or dive other people into the pools;
- Do not dive into the pools (paddling pool/pool) other than from the diving boards;
- Do not leave children unsupervised near the pools, footbaths or anywhere else within the establishment;
- Do not use floating equipment such as airbeds or other inflatable items without authorisation from staff qualified to supervise the pools;
- Use of fins, monofins, masks, snorkels, balls or any other objects in the pools

is subject to the prior agreement of the lifeguards;

- Pushchairs and prams may not enter the Aquatic Area (they may nonetheless be left at reception);
- Free-diving is forbidden without authorisation from the Manager or appointed staff;
- Do not enter areas that are forbidden and marked with signs;
- Do not enter the pools other than via the entrances fitted with footbaths provided for that purpose;
- Do not throw litter or waste anywhere other than in the bins provided for that purpose;
- Do not engage in acts or games likely to cause disorder or disturb other people (running, whistling, shouting, pushing, making inappropriate remarks or gestures...)
- Do not touch the heating, lighting or ventilation installations, and do not use any equipment other than for its intended purpose.
- Do not use noise-emitting devices.
- Do not bring glass objects into the establishment.
- Do not venture into the sports pools unless able to swim a length of 50 m.
- Do not disregard the instructions for using the Pentagliss slide as displayed.
- Do not shower naked in the communal showers; nudity is, in any case, strictly forbidden in all communal areas.
- It is forbidden to walk on the poolside in shoes.
- Swimmers must not use the footbaths for any purpose other than that for which they are intended.
- It is forbidden to smoke or vape inside and around the establishment.
- It is forbidden to eat in the swimming pool areas, except on the terrace in summer.
- Access to areas reserved for swimmers is forbidden to persons with suspected skin lesions who do not hold a certificate confirming they are not contagious.

2.4 Persons who cannot swim must use the armbands/floats provided at the poolside, or their own equipment, and must identify themselves to pool supervision staff.

2.5 Use of the paddling pool is strictly reserved for children under 6 years of age, under the supervision of a parent or accompanying adult.

2.6 Access to the swimming pool area is forbidden to children under 10 years of age unless accompanied by an adult. The child is placed under the responsibility of the accompanying adult, including while bathing. Under no circumstances may a child under 10 years of age swim other than in the presence of a responsible adult at their side, in swimwear, capable of ensuring their constant supervision. Tignes Développement cannot be held liable in the event of an accident.

In the case of an unaccompanied child over 10 years of age, exclusion and/or a request for the parents to attend may be made if the child's behaviour is unacceptable.

Anyone who is at risk of having a medical reaction while bathing must inform the lifeguards and/or swimming supervisors. It is a reminder that swimming is forbidden where there is a medical contraindication.

The pool(s) must be vacated by the public as soon as effective supervision by lifeguards or swimming supervisors ceases.

Anyone noticing an imminent danger to users' safety must immediately inform the lifeguards or swimming supervisors.

Lifeguards and swimming supervisors have full authority to exclude any users displaying irresponsible or risky behaviour, or posing a proven danger.

Article 3 – Access to the Pentagliss

Users must comply with the rules of use displayed.

Article 4 – Supervision

The Swimming Pool Area is under the permanent supervision of one or more lifeguards or swimming supervisors employed by the establishment. They are responsible for the proper running of the area, for supervising users and for safety. They are qualified to take all necessary measures in the event of non-compliance with these rules (warning, removal without refund, etc.). The Swimming Pool Area is under video surveillance.

Article 5 – Group lessons

Management reserves the right to change the times, type and total number of lessons at any time;

Group lessons are given by a lifeguard. Access will be refused once the number of participants has reached the quota;

The minimum number of participants is decided by management or appointed staff depending on the activity.

If the lifeguard is unavailable, the lesson will be cancelled and this will be communicated.

WELLNESS AREA RULES (Saunas, hammam, jacuzzis)

The Wellness Area comprises the following facilities:

- 3 saunas;
- 4 jacuzzis;
- 1 hammam;
- Shower zone;
- Relaxation and herbal tea area.

Article 1 – Access to the Wellness Area

Access to the Wellness Area is possible during the displayed opening hours and after paying the specific entry fee or the relevant membership fee.

Access is subject to wearing a wristband (issued at the till upon payment). The wristband must be fitted to the user's wrist by a member of staff at the time of purchase.

Otherwise, access to the Area will be refused; any user not wearing the wristband will automatically be excluded from the zone.

RULES AND REGULATIONS – LE LAGON - TIGNES

Edition of September 2026

No advance sale may be made.

It is strictly forbidden to exchange or lend one's wristband.

Access is forbidden to anyone under 16 years of age, even if accompanied; minors aged 16 and over must be accompanied by an adult and must spontaneously present proof of age.

In addition, the maximum number of people admitted per facility is as follows:

- Jacuzzi: 8 to 10 people maximum;
- Hammam: 30 people maximum;
- Sauna: 10 people maximum per sauna.

Article 2 – Medical contraindications

Use of the sauna and hammam is not advised:

- For people with heart problems;
- For pregnant women.

And in the case of:

- High blood pressure;
- Acute infections (flu, bronchitis, tonsillitis, etc.);
- During convalescence from infectious diseases (viral hepatitis, toxoplasmosis, glandular fever, etc.);
- Venous insufficiency (heavy legs, varicose veins, etc.);
- Asthma.

Article 3 – Hygiene and safety

It is compulsory to:

- Take a soap shower before entering the Wellness Area and between each wellness facility;
- Use a towel when sitting or lying on the sauna benches and on the Wellness Area furniture (armchairs, sun loungers);
- Wear a clean swimsuit reserved solely for use in the area;
- Swimwear is compulsory for using the saunas and hammam. A towel is compulsory inside the saunas.

The same dress rules as for the swimming pool area apply to the wellness area.

Any unsuitable clothing will be refused and may result in immediate removal without any compensation or refund.

It is forbidden to operate the equipment (saunas, hammam) or to change its settings. It is also forbidden to add water excessively using the buckets provided. Furthermore, water may only be added using the buckets made available for that purpose.

For use of the sauna and hammam, it is recommended to:

- Not wear any metal items (jewellery);
- Contact lens wearers should remove them to avoid any accident.

Article 4 – Supervision

The Wellness Area is under video surveillance.

FITNESS AREA HOUSE RULES

Article 1 – Access/Supervision

Access to the Fitness Area is possible during the displayed opening hours and after paying the specific entry fee or the relevant membership fee.

A pass or ticket must be shown to access the area;

Access is forbidden to anyone under 16 years of age, even if accompanied.

Minors aged 16 and over are admitted to the area provided their parents or legal guardians provide a signed parental authorisation. On an exceptional basis, the head coach of the Tignes Sports Club may, at their discretion, grant this authorisation in place of the parents.

These minors must comply with the house rules. In particular, they are reminded that they must use equipment in accordance with their physical and technical abilities and must not exceed the level of skill they have mastered.

The Fitness Area is under the partial supervision of one or more sports instructors employed by the establishment. They are responsible for the proper running of the area, for supervising users and for safety. They are qualified to take all necessary measures in the event of non-compliance with these rules (warning, removal without refund, etc.).

Article 2 – Safety

Tignes Développement accepts no responsibility for injuries sustained during exercise. Each user must adapt their use of the machines to their own abilities.

Under no circumstances may the specific equipment of any room be moved without the agreement of the Fitness Area manager or the establishment manager.

Access to emergency exits must be kept clear at all times. Centre staff are required to enforce the safety instructions for the use and proper operation of the equipment. Any conduct that is disrespectful (verbal and/or physical aggression) towards them will result in termination of the user's membership contract or access rights, without any refund.

Article 3 – Attire

Access to the rooms is only permitted to persons wearing decent attire suitable for indoor sporting activity or for use of the equipment. This criterion is at the discretion of fitness centre staff;

Clean, dry sports shoes must be worn to access the area's rooms. Shoes may be hired at the Lagon reception;

Sports shoes must be suitable for the activity, with clean, non-slip soles (spikes and studs excluded). Laces, belts, etc., and any clothing or item that could become caught in moving equipment, are prohibited.

Any user whose behaviour disrupts the smooth running of sessions or disturbs the peace of other users will have their membership contract or access rights terminated, without any refund.

Article 4 – Changing rooms and personal belongings

Dressing and undressing must take place in the changing rooms. Lockers, which are not subject to particular supervision, are made available to users during their activity. Users must lock them and must empty them before leaving the building.

As use of the lockers is the sole responsibility of the member, the member waives any claim against the establishment for any theft or damage they may suffer as a result. The member acknowledges having been informed of the risks involved in leaving valuables in the communal changing rooms. Every evening, when the centre closes, all lockers will be opened and emptied by staff, with no guarantee given to users regarding their personal belongings;

Any item or garment not claimed within a week will be removed from the area. No claim may be brought against the establishment for items lost or stolen in the area.

Article 5 – Equipment

Equipment must be put away after each use (bars, weights, etc.).

Use of the equipment is the sole responsibility of the user.

Users must familiarise themselves with the instructions for any equipment they intend to use and follow them strictly. If not, before using a piece of equipment, they must consult an instructor to learn how to use it and what precautions to observe. A folder containing user instructions and programme advice is available to customers on request.

Equipment must be used with care and must not be overloaded or moved; weights, straps or dumbbells must be carefully put away after use.

Only equipment provided by Le Lagon may be used by customers.

Bars on free-weight equipment must be unloaded after use, and the bars and weight plates put away on the racks.

All equipment must be returned to its resting position; the use of sticks and floor gymnastics are forbidden in the weights room, except in areas set aside for that purpose.

Equipment must be used on a rota basis with other users, and during busy periods, use of cardio equipment may be limited to 30 minutes.

Any problem with a piece of training equipment should be reported to the area manager; borrowing equipment is strictly forbidden.

Any user caught stealing or damaging the establishment's equipment will be reported to the police, and this will result in termination of the user's membership contract or access rights, without any refund.

Article 6 – Hygiene

For each exercise, a towel is compulsory to avoid direct contact between the equipment and skin or clothing; towels may be hired at reception.

After each use, users must clean the equipment using the products provided by Tignes Développement for that purpose.

Clean footwear must be worn; training bare-chested or barefoot within the establishment is forbidden.

RULES AND REGULATIONS – LE LAGON - TIGNES

Sports bags and spare clothing are not permitted in the Fitness Area.

Appropriate attire is required. A vest/base layer must be worn.

Article 7 – User responsibilities

Soiling, wear and damage are the responsibility of whoever causes them. Anyone who has caused damage to equipment or facilities will be required to pay the cost of repair.

All activities carried out in the rooms, and the use of weight-training or cardio equipment, may carry risks.

As use of the equipment is entirely at the user's own responsibility, the centre accepts no liability for personal injury or material damage resulting from improper use of the facilities and equipment, failure to comply with safety rules, training plans, or a user overestimating their physical condition.

Tignes Développement reserves the right to amend or supplement these rules whenever it considers it necessary, subject to the prior agreement of the local authority.

Any incident or difficulty not covered by these rules will be settled at the sole discretion of the management of Tignes Développement or of the local authority.

Management.

Article 8 – Group classes

The area reserves the right to change the times, type and total number of classes at any time.

Group classes are given by a sports instructor, and admission to the room is limited to the maximum permitted capacity. Access will be refused once the number of participants has reached the regulatory quota.

If the sports instructor is unavailable and no substitute can be arranged, the class will be cancelled and this will be communicated.

ENFORCEMENT OF THESE HOUSE RULES

The Manager of the aquatic and wellness area, and the staff under their responsibility, are each, as far as they are concerned, responsible for enforcing these rules, which are permanently displayed at the entrance to the establishment.

Users must comply immediately with any instructions given by LE LAGON staff.

Any act or conduct liable to affect decency, public morals, the peace and quiet of users, good order or the cleanliness of the establishment is strictly forbidden.

In the event of serious disorder, non-compliance with the rules, or a breach of safety, offenders will be evacuated immediately and may face temporary or even permanent exclusion from the establishment, notwithstanding any legal proceedings that may be brought in the event of deliberate damage to equipment or buildings.

Temporary or permanent exclusion of offenders may be ordered immediately by the establishment Manager or their representatives, who are authorised to take any measure against offenders, who may not claim a refund.

Management cannot, under any circumstances, be held liable for accidents that may occur within the establishment as a result of the misuse of equipment.
